## What do our former staff members think about their time at Camp Chilaven?

♥ *"The summers are gratifying and humbling and the work you do is lifelong - both for the children and yourself. No matter the position (and I've held them all from Junior Staff to Program Counselor) you will look back on your summer with some as your most treasured life memories. It will both slow your life down entirely but also pass in the blink of an eye. I truly could not imagine a greater place to serve Jesus, serve your community, and build relationships, than at Camp Chilaven."* Aaron

♥ *"Camp Chilaven provided me with such a tangible way to love God's children and grow closer to Him while having fun. What I expected to be an experience where I was able to give so much to others, ended up being one where I gained so much more than I gave."* Macie

♥ *"I have so many fond memories of fun times at camp...jumping in the pool, participating in outdoor activities, overseeing four-square, having meaningful conversations, goofing around during cabin time, and singing around the campfire. Being able to spend intentional time with the kids and teens who attended was such a blessing. I also feel very blessed by each of them, as they have impacted my life in unique ways that I would have not expected."* Emily
